

The Lolly Jar Dilemma

By Maddison Knuth

One day at Lego Camp...

Do you want
to go and
play now
Jack ?

Lolly Jar

What are
you
doing?

Lolly Jar

Lolly Jar

Why don't we
make some
guesses at the
lolly jar.

Lolly Jar

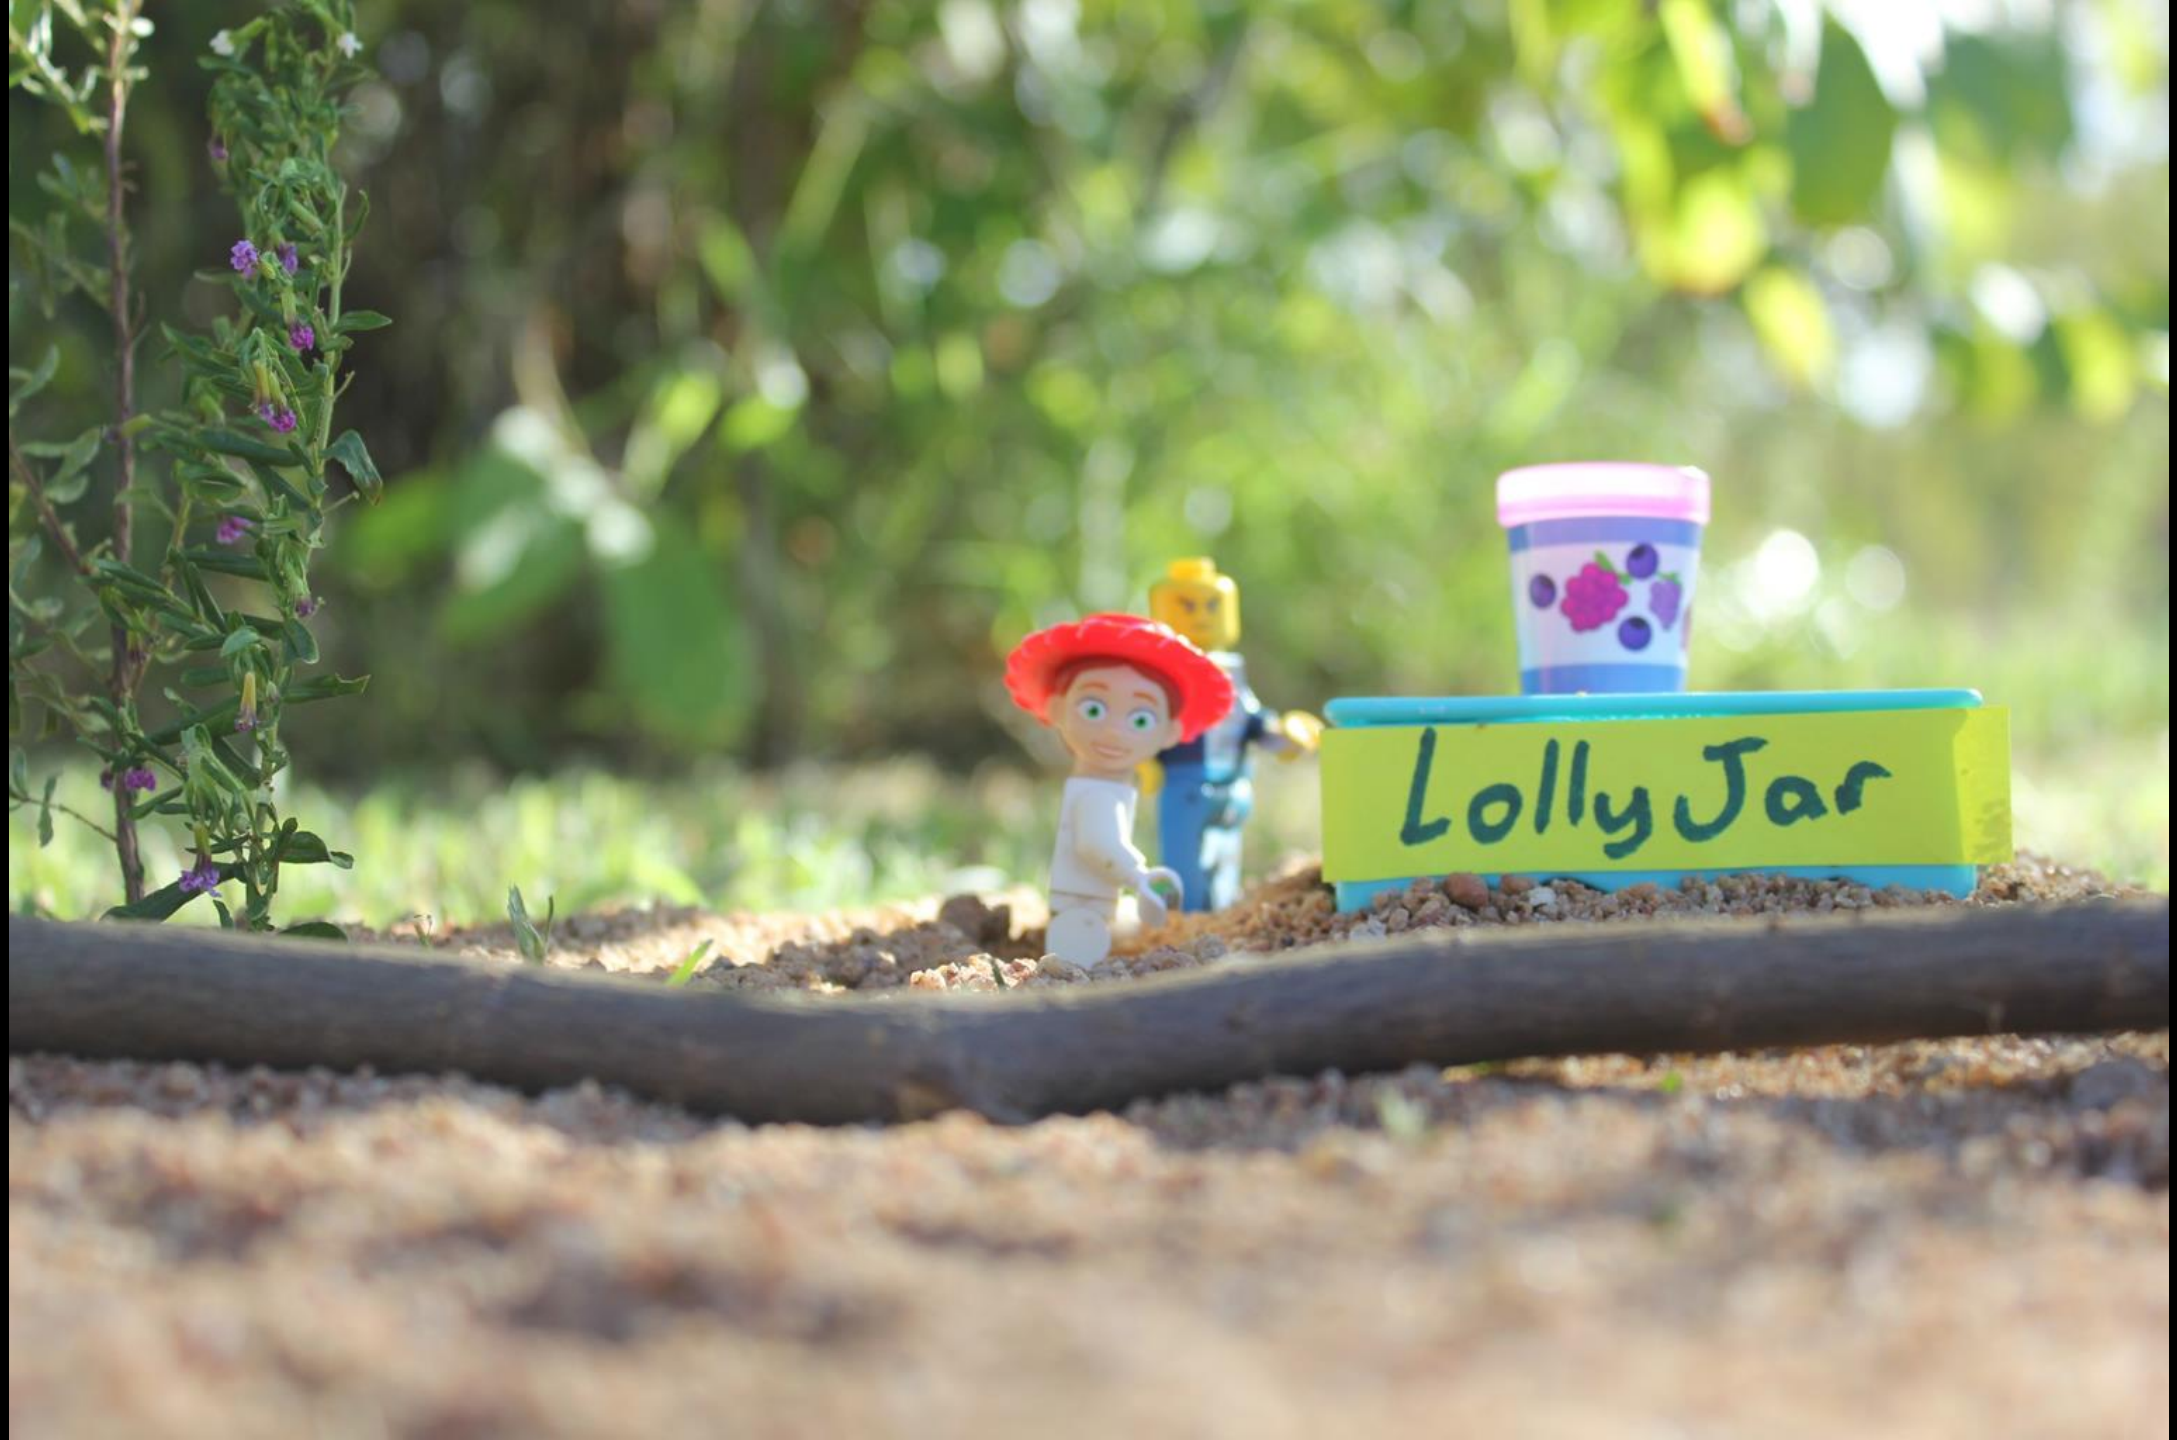

Lolly Jar

But we wouldn't
have enough money
to buy that video
game we really want.

Lolly Jar

A miniature scene set in a garden. Two LEGO figures are standing on a patch of brown soil. The figure on the left is white with a red hat and a red scarf. The figure on the right is blue with a yellow head. To their right is a yellow sign with the text "Lolly Jar" in black cursive. Behind the sign is a small blue and white cup with a pink lid and a purple fruit design. A blue speech bubble is positioned above the cup, containing the text "What if we don't pay." The background is a blurred green garden with a small plant with purple flowers on the left.

What if we
don't pay.

Lolly Jar

A miniature scene set outdoors on a bed of brown gravel. On the left, a thin green plant with small purple flowers grows. In the center, two small figures stand: one is a girl with brown hair wearing a red and white striped hat and a white shirt with a blue logo; the other is a yellow-headed figure with an angry expression wearing a blue plaid shirt and blue and white cow-print pants. To their right is a yellow rectangular sign with the words "Lolly Jar" written in black cursive. Behind the sign is a small blue and white striped cup with a pink lid and a graphic of purple grapes. A blue speech bubble points from the girl figure towards the text.

WE HAVE TO
PAY!!!

Later that day...

I wonder
who is going
to win the
lolly jar?

Jessie and Jack lived happily ever after with 306 very delicious lollies.
