

Dear Principal

Last year's Farm safety calendar competition for schools received such a good response that we are running it again in 2018.

The competition raises awareness among primary school children and their communities of common hazards on farms and other rural properties. Children are encouraged to draw a picture to illustrate one of four farm safety topics.

Twelve winning entries will be published in a 2019 calendar that will be distributed free in October this year. Winning students will receive a \$250 voucher, and \$500 will be awarded to their school.

Entries should illustrate a key safety message from one of the four topic areas below (see the full list at worksafe.qld.gov.au):

- Quad bikes, motorbikes and machinery
- Animal handling
- Sun safety and healthy lifestyle
- Kids on farms

Entries should be submitted on white paper, using the template from our website, and include the student's name, school and the school's contact details. Each entry should also have a consent signature from a teacher or parent.

Entries should be posted to:

Awareness and Engagement Unit
Workplace Health and Safety Queensland
GPO Box 69
BRISBANE QLD 4001

The competition will open on Monday 21 May, and entries must be received by Friday 29 June 2018. Winners will be announced in October.

Visit worksafe.qld.gov.au or call **1300 362 128** to find out more about the competition and its terms and conditions.

We look forward to receiving your students' entries.
