If you have trouble accessing the lessons, please read the attached document 'Downloading Blackboard Collaborate Launcher' or continue reading this document for an alternative way of accessing the lessons.

Recordings of these sessions should be available within 24 hours after the session is complete. Please access these by clicking on the 'Recordings' tab.

For new students:

Within the 2019 Tutor Program document is a list of all sessions being held. Underneath each session name is a guest link to the lesson. This will enable you to access the lessons without a current student login.

Note: As soon as you have received the login details for your student/s, you will be able to follow the instructions in the previous pages to gain access to the Home Tutor Induction 2019 course. You will **ONLY** be able to access recordings after you have received your student/s details and have registered for the course. **We WILL NOT be sending out guest recording links.**

After you click Submit, you will be taken to the Room Details page.

If you have never entered a lesson or recording before, you are required to download the Blackboard Collaborate Launcher onto your machine. Please open the document attached to the email, entitled 'Downloading Blackboard Collaborate Launcher' and complete the steps, then come back to this document.

After you have successfully downloaded and installed the Blackboard Collaborate Launcher, please click Join Room.

The screenshot shows a web browser window with the address bar displaying the URL: https://elearn.eq.edu.au/webapps/bb-collaborate-bb_bb60/launchSession/guest?uid=916ead7e-7e9e-45ed-8a8e-e4eccf60c4c4&course_id=_142389_1. The page title is "Room Details - Learning Pla...". The main content area is titled "Room Details" and contains the following information:

- CTSDE: HOME TUTOR SCHOOL 2019
- Start Date: 26-Nov-2018 08:30
- End Date: 28-Feb-2019 23:45
- A green "Join Room" button.
- A message: "If you can't open the .collab file, [download the Blackboard Collaborate Launcher](#)."
- A link: "Still can't get into your session? Please [read our troubleshooting help topic](#)."

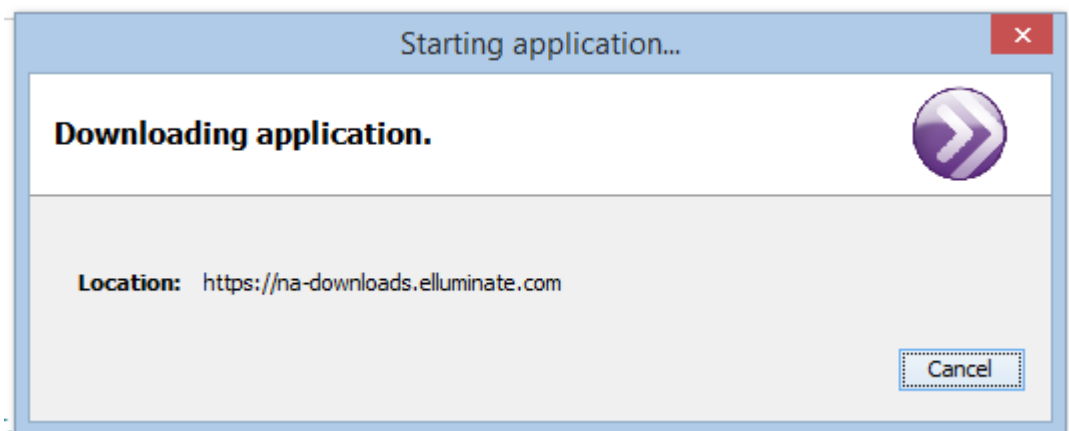

The screenshot shows a file download dialog box with the text: "Do you want to open or save **meeting.collab** (9.51 KB) from **elearn.eq.edu.au**?" The "Open" button is highlighted in yellow.

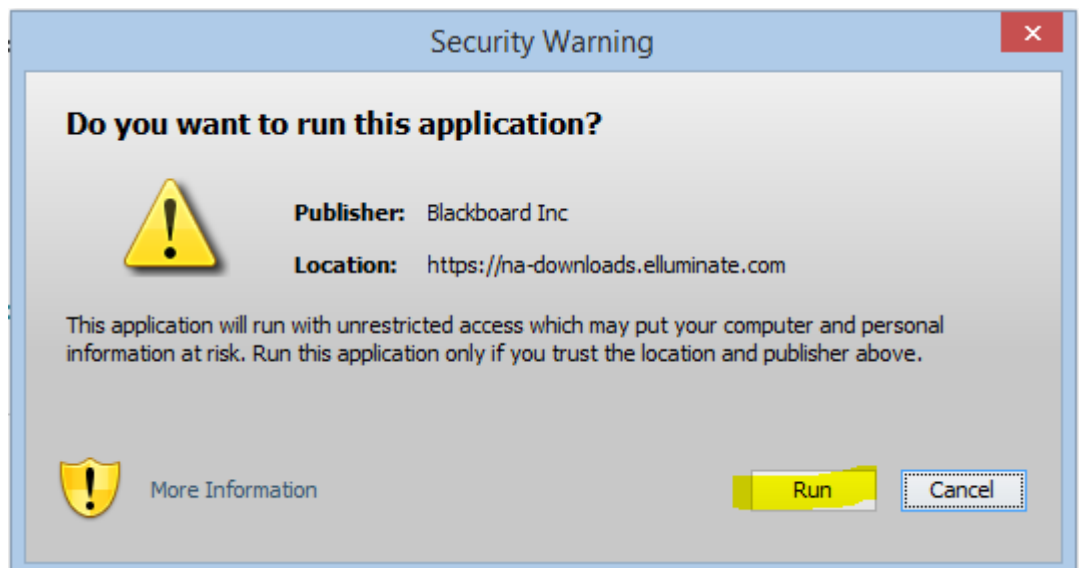

Depending on the browser you are using, the meeting.collab file may automatically download or come up at the bottom of the screen. EQ recommends using Internet Explorer for all EQ programs.

Select Open.

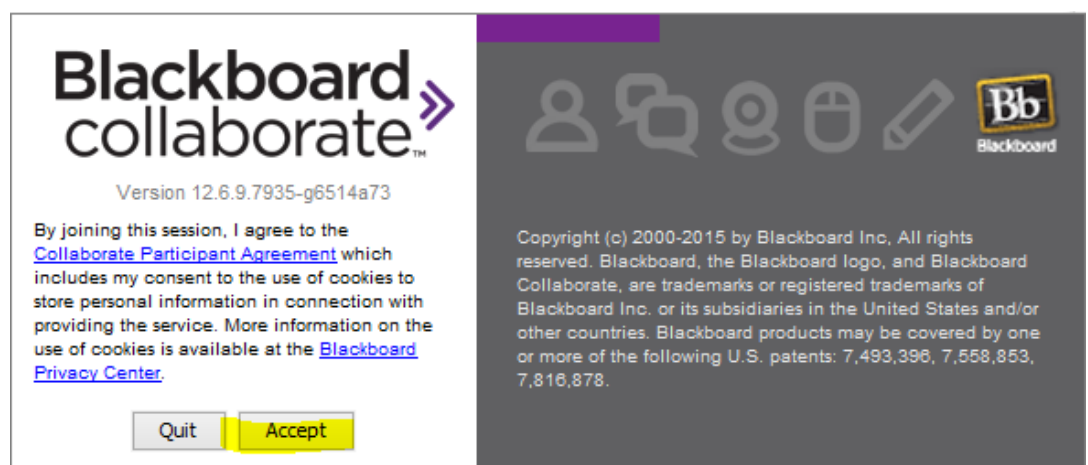

A pop up will come up with 'Downloading Application'.

You will then need to select Run.

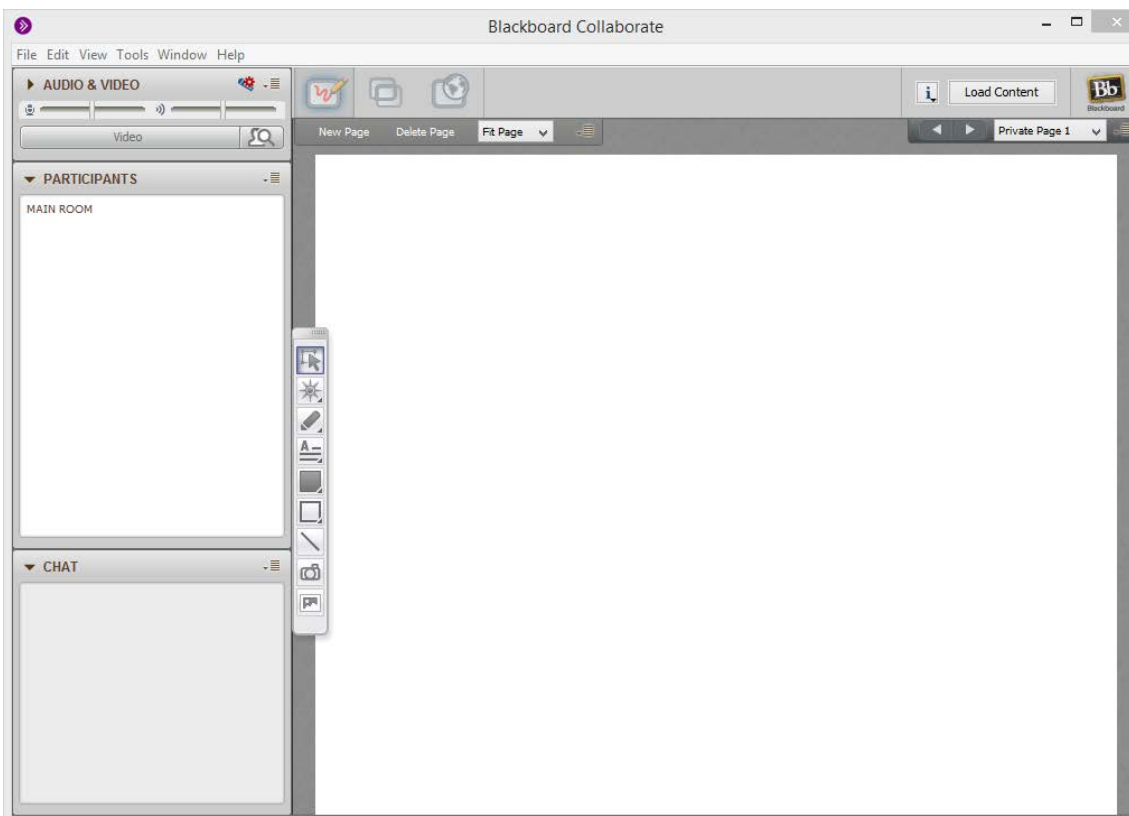

Select Accept.

Select 'Don't show this dialog again' and then OK.

You have now successfully logged into the session.

If you are having any issues with downloading the Launcher, please contact the school's IT Technician.
